

Our Global Church Partners in **Ecuador**

— Fredy & Yadi Guerrero

THEIR MINISTRY

Fredy Guerrero has been pastoring Grace and Truth Bible Church in Quito, Ecuador, for 20 years. The main purpose of the ministry is to teach the people of the church so they can reach spiritual maturity through Biblical discipleship. The Biblical discipleship they receive challenges them to live in complete dependence on Christ and to be an instrument to share the Gospel.

OUR INVOLVEMENT

FBC has partnered with the Guerreros since 2013. We continue to make trips to further train and equip the church leaders.
