

Our Global Church Partners in **Kenya**

William & Sylvia Khisa

THEIR MINISTRY

William pastors FBC Webuye-Kenya. The purpose of FBC Webuye-Kenya is to bring people to faith in the finished work of Christ, equip them for service through teaching the Gospel, and connect laity and key leaders across the communities. The church is made up of a strong leadership team who work together to equip the body. From time to time they are also involved in holding various conferences that help to train and equip other church leaders in their area.

OUR INVOLVEMENT

FBC has supported the establishment of Pokot churches since 1998, working with leaders like James, Zacheus, and Simon to train and equip pastors across Kenya. We also continue to support FBC Webuye-Kenya through virtual meetings and resource sharing.
