

# Our Global Church Partners in **Kenya**

---

James & Veronica Lomerimuk

## THEIR MINISTRY

The ministry here involves teaching and discipling of the pastors along with future leaders in 12 main locations. Some of these meetings take place monthly or quarterly to teach through the chronological lessons and they also include planning, strategizing, and coordinating to ensure future leaders are being developed. The work also involves translating and publishing the lessons into the Pokot, Sengwer and Marakwet languages.

## OUR INVOLVEMENT

FBC has supported the establishment of Pokot churches since 1998, working with leaders like James, Zacheus, and Simon to train and equip pastors across Kenya. We also continue to support FBC Webuye-Kenya through virtual meetings and resource sharing.
