

# Our Global Church Partners in **DRC**

---

Ngandu & Debbie Lunda

## THEIR MINISTRY

Ngandu pastors a church in Atlanta, Georgia and being Congolese, he also makes frequent trips to the DRC helping to train and equip church leaders. The church in Atlanta is based on discipleship ministry helping to equip its members and see them established in their faith. Ngandu and Debbie partner with the Boones and Chippendales to teach through the Scriptures chronologically and progressively. They meet with church leaders from different denominations and give them a certificate of completion so that they in turn, can teach others. They are also focused on raising up leaders of the next generation.

## OUR INVOLVEMENT

FBC has been working with Ngandu and Debbie for many years and through them we made a connection with Michael and Bernadette Boone. Currently, we are partnering with Ngandu and Debbie Lunda to train and equip many pastors in the Democratic Republic of Congo.
