

Our Global Church Partners in **Malawi & Mozambique**

John & Dituweh Mamman

THEIR MINISTRY

John's ministry in the Republic of Malawi is divided into two parts. Firstly, seeing themselves and those that they are ministering to established in the faith and secondly, the establishing of churches and planting of new churches. They disciple the Chichewa churches in Malawi and Mozambique using the Knowing God lessons and teaching the scriptures both chronologically and progressively. This has proven to be effective in the lives of many people.

OUR INVOLVEMENT

FBC has been working with the Mammans since 2018. We provide teaching and training for John and his key leadership team and they in turn teach it to the other Chichewa Pastors.
