

Our Global Church Partners in

Pwo Karen

———— Not Tuu

THEIR MINISTRY

The Northern Pwo Karen Church leaders continue to teach and disciple their own church in MaePae as well as the other churches that God has used them to plant throughout 25 villages in their area. God has been moving in the hearts of people in all of the villages. Many are saying they want to become Christians and the last report we received is that the MaePae church continues to receive requests for teaching from almost every village. We are praying for the MaePae church as it very much appears to be “harvest time” for the Northern Pwo Karen

OUR INVOLVEMENT

FBC has partnered with the Pwo Karen church since 1995. We help the church leaders establish new leaders, that are establishing other churches as well as visiting them once or twice a year.
