

Our Global Church Partners in **Bhutan**

———— Surja & Maya Tamang

THEIR MINISTRY

Grace Bible Fellowship Church (GBFC) ministers to about 20 families that make up the congregation. They hold Sunday services with Sunday school for children in the morning. They also provide Friday women's fellowship and home visits on Wednesdays. They often have pastor and elder meetings where they teach on the development of one's life under the guidance and control of Holy Spirit where one can grow in His holiness. Additionally, they do weekly family visits where they counsel in day-to-day life.

OUR INVOLVEMENT

Surja and Maya Tamang were first introduced to FBC by Jai Pandey over 20 years ago. At the time, Jai had begun to translate our chronological lessons into the Hindi language and then he would get Surja and 3-4 other pastors together to study through the lessons in preparation for the men to re-teach them in their own churches. This group of pastors called themselves “The Claypot Brothers”.

Through the years, Surja and Maya have continued to grow in grace, faithfully teach and establish their church on the India and Bhutan border, as well as pass the teaching and training on to pastors of other churches. God has raised up their church in a location where outsiders would not be free to minister.
