

Our Global Church Partners in **Nigeria**

Joshua & Melissa Yakubu

THEIR MINISTRY

Joshua and Melissa's ministry focuses on overseeing Evangelical Missionary Society (EMS) of Evangelical Churches Winning All (ECWA) missionaries who have been sent out to twenty different countries. Joshua and Melissa also minister to those struggling with sickle cell disease through discipleship, counseling, trauma healing, hospital visitations, and donations of routine medical assistance, all to lead them to hope that is only found in Christ.

OUR INVOLVEMENT

FBC has been partnering with the Yakos and the Yakubus since the early 2000s. Currently, we are working together to train and equip ECWA pastors and EMS missionaries across Africa.
