1. How has an apparent setback in your life turned out to actually be a setup?
2. The Book of Acts may be read as 28 chapters of “the Acts of the Holy Spirit,” starting with Power to the People and moving through Healing that Shakes the System, Disrupting the Empire, Steven’s Last Sermon, Persecution, Grace that Fuels us Forward, and Idols (based on previous sermons in this series). What are 2-3 Acts of the Holy Spirit you would include from our lifetime in a first draft of Acts chapter 29?
3. Ponder 1 Corinthians 12:1-11. What is one way the Holy Spirit has worked in your own life?
4. Pastor DJ announced that he is formulating a vision of Lighthouse Christian Church’s future, in prayer and in consultation with our church’s stakeholders. Spend a few moments yourself in prayer about the story the Holy Spirit wants to write about Lighthouse. What are your feelings about this (fear, excitement, etc.)? Do you have any good ideas where the Spirit might be leading us?
