1John “Light & Love” Series

This winter/spring our teens will study 1John each week – together we will discover Christ is the Light and Love that conquers all! The epistle of 1John is short but very powerful. Students will be challenged to seek after Christ and not to be deceived by this fallen world.

Story: Testimonies Series

At the end of the school year our Leaders and Students will be encouraged to share their personal salvation stories about how Jesus has changed their lives.
