SUMMER 2024

Mission

At College Church, we believe spiritual growth happens most effectively in groups that provide opportunities to launch, laugh, learn, live, and love.

“Rather, you must grow in the grace and knowledge of our Lord and Savior Jesus Christ. All glory to him, both now and forever! Amen.”

2 Peter 3:18 (NLT)

SO WHAT IS YOUR NEXT STEP?

It's not that people don't want to grow in their faith or deeper in connection with God and others. For most, they simply don't know the next step.

In this booklet, notice that we have two pathways that will help you find your next step:

Connection Pathway:

LAUNCH opportunities help you take first steps in your faith and get acquainted with College Church. LAUGH groups are easy places to meet people with similar interests. Explore LEARN workshops, seminars, and classes to get a taste of group life. When you are ready, join a LIVE group where you can enjoy ongoing connection and fellowship with fellow believers. Help serve our community by engaging in our LOVE opportunities with our area Mercy partners.

Discipleship Pathway:

Once you start following Jesus, know that you can be His follower for the rest of your life. There's so much to learn and experience. Thankfully we have skilled leaders who can help you on your journey. You don't have to travel alone.

Our Next Steps Workshop Series follows three years of modules that present four-week workshops where group members can learn and then practice some of the most basic and critical concepts of the Christian faith.

You can also choose our Wesley Theology Series. Theology simply explains what we believe about God. This series aims to discuss Christian doctrines in an accessible language that states clearly what Christians believe and why. Each module will help simplify and clarify these complex theological ideas.
