### Angie Daniels – Personal Testimony

I was saved and baptized at age eight and grew up knowing Jesus, sin, and grace. Still, I sought love and acceptance from the world instead of my Heavenly Father. At 19, I became an unwed mother—scared but supported by loving parents who helped me raise my son while I earned my bachelor's and master's degrees. God opened doors, including a job in Ohio, far from family but clearly part of His plan.

My walk with Christ has had highs and lows—times of deep faith and times I strayed, forgetting my identity in Him. After moving to Xenia, I searched for a church closer to home. Though I visited many, I kept returning to Lighthouse. A conversation with Lesa Newton helped me realize I needed to fully surrender to Jesus—repent, release control, and embrace grace. I needed to stop straddling the fence with one foot in the world and one foot in the church. This was hurting my testimony of Christ's love, forgiveness, and redemption.

Lighthouse has reignited my faith. I now read Scripture daily, pray as often as I can, and feel deeply connected to God and the church community. I'm being spiritually fed and challenged to live out my calling. I know this is where God wants me to grow and serve.

*"His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness" – 2 Peter 1:3*

*"Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need" – Hebrews 4:16*
