

My parents were raised Catholic. They met at Carrol high school and were married shortly after graduation. We went to church but it did not seem to be a great influence in our lives. One day at work a coworker gave dad the old Chick Tract titled "this was your life" it hit home with dad and soon we visited Faith Baptist church in Beaver creek with dad's coworker friend, Glen Seaton.

Hearing the gospel preached in this way quickly made them, and us kids, realize the need for repentance of our sins and acceptance of Jesus Christ as our lord and savior. On a Sunday evening, I went forward with dad and accepted Christ. I was then baptized. That one tract, resulted in our entire family being saved as well as my aunt, uncle and their children.

I grew up in the youth group at Faith under Dave Harney and met my wife Rebekah while in high school. She attended Cornerstone Baptist church. We attended there and were married by Pastor Jerry Siler in 1995.

A few years ago it appeared that Pastor Siler was preparing to retire. We felt led to find a new church. We discovered Lighthouse online and immediately wanted to visit in person. We really appreciate Pastor Josh's knowledge and style of preaching Gods word. We have grown in the Lord since attending lighthouse, completed Foundations and are excited to join officially as members.

Philippians 4:13,
I can do all things through Christ which strengthened me.
