

### **Chandler Cunningham – Testimony**

When I was young up until I was 7 years old, I grew up going to church where my great Grandpa was the pastor. At that time I had a love for God but was too young to comprehend the word. When I was 7 we moved to Maryland and shortly after that my grandpa passed away. So we moved back home and I never went back to church again until I was 19. One day at service I claimed to have been saved but it was more of just high emotion because after that day, I never felt a connection with Jesus. I turned my back on Him, never went back to church, never read the word, and kept on participating in my sin. June 2024 I was in the lowest part of my life. I could not stand it. Unfortunately, I had a plan to end it. That week my family took me to the hospital to prevent me from committing to it. When I got back home, I dropped to my knees crying, asking God to send me someone to get me close to Him. Someone to help guide me. Three weeks later I met my girlfriend, Emily. She took me to Lighthouse on our 2<sup>nd</sup> date, and I have been coming ever since (July 2024). In September 2025 I realized I was not saved and was ready to be fully committed to Jesus. I committed my life to Christ and am coming forward today to be baptized as a born-again believer in Jesus Christ.
