Before I trusted in Jesus Christ as my Lord and Savior, I was under the misconception that I had been saved by being sprinkled as an infant, but was never fully immersed. I did not fully understand how good deeds won't offer eternal life.

My husband recently passed away and during that time I felt a calling back to the church. Though I often prayed, I had not been to worship regularly since I was a child, and turned to God for peace, comfort and understanding. I began attending LBC and Foundations class with my son who had recently been saved, and my dad began joining us as well. I re-established and strengthened my relationship with God. I felt compelled to pray for Salvation again as an adult as I felt I may not have fully comprehended how to turn from sin as a young child.

I trusted in Jesus Christ and repented my sins. Since being saved, I have felt a tremendous weight has lifted and a new sense of peace. Foundations class answered a lot of questions I had about my faith. I trust the Lord has a plan for me and look forward to growing in my faith.

My Favorite Bible verse is:

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." Philipians 4:6-7
