I always believed there is a God, I just don't think I really believed in God. I wondered what I had done to deserve even one blessing that I had. Why would God send his son to die on the cross for me. Did I deserve to be forgiven just by asking HIM for forgiveness and repenting my sins. What did I have in common with the good, the bad, the evil, the wicked, the rich, the poor, and all other sinners in the world. I guess it is that we all can know God's grace, and love. I knew for a long time that I needed to be right with God and to live as he would have me do so. I needed some guidance to understand what needed to be done. I had talked to my grandson after he expressed a desire to be saved and baptized, after he talked with his friend, Colt. I ask my grandson if Colt would talk to me. Colt invited me to attend church here at Lighthouse Church, and to go to a foundation class. After class Colt prayed with me and I repented and ask for forgiveness. I felt a huge weight lift off my shoulders. I felt calmer inside knowing that if something happened to me, I would dwell in the house of the Lord for eternity. Since saved I have a different view of the world and my fellow man, not being so critical of people, understanding of the faults that I have. I can forgive, just as I have been forgiven. Repenting is probably the best decision I ever made and I just want to be worthy of god's love, and the grace he has shown me. The people here at Lighthouse Church have been nothing but kind to me, showing me how Christians should live and act. Thank all of you and especially Colt Coffey for his guidance. Thank you, Colt.

My Favorite Bible verse is:

The bible verse that means a lot to me is John 3:16. For God so loved the world that he gave his only begotten son, that whosoever believes in him shall not perish, but have everlasting life.
