

## **Jonah Crawford – Testimony**

I was saved at a young age and grew up in church my whole childhood. I have known Christ most of my life but I still struggle with sin and temptation. In my early adult life I struggled with following the ways of this world. I had turned my back on God for several years until I almost ruined my life. Since then, I have turned back to God and I am working to grow in my relationship with Him and learn more about God and being a good, faithful Christian man and husband.

When I was young, I got saved when I was driving with my dad on my way to VBS at our church. I was listening to a children's Christian radio station. I don't remember exactly what was talked about during the program, but we listened to it often and after it was over I told my dad I wanted to be saved. We parked in the church parking lot, and he went over what salvation is and made sure that I truly understood what it meant. After that I prayed and asked Christ to be with me and I accepted His gift of salvation. Not long after that, I was baptized by full immersion at the church I grew up at.

Since being saved, I feel that God has a purpose for me that I need to learn and grow in Him to be prepared for. I always feel that I have more to learn from and about God and I always want to do what would be acceptable in His eyes and grow to be a better man.

Proverbs 28:1 "The wicked flee when no man pursueth: but the righteous are bold as a lion."
