

*Karen Boylan*

When I was in 6th grade a friend from school invited me to Good News Club that took place on Saturday mornings. I went and heard that Jesus died on the cross to pay the penalty for my sin. I was so happy to hear this and prayed to accept Jesus as my Savior. My sisters and other friends started going to Good News Club and also accepted Jesus as their Savior. During this time my parents were invited to a Bible believing church and went to visit, and then as a family we started attending that church. I was in 7th grade when I was baptized in a lake during a Sunday evening church service. I requested the hymn "Verily Verily I Say Unto You" as the hymn to be sung during my baptism.

We have been coming to Lighthouse since November 2023.

I was looking for a church that preached the Bible comprehensively, connecting the Old Testament with the New Testament and clearly declaring Jesus as Lord. I know LBC is the church for me because of the uncompromising stand the church takes on the Bible as the Word of God.
