

## **Makenna Bloom – Testimony**

Before I trusted Jesus Christ as my Lord and Savior I have committed sins such as lying, using God's name in vain, stealing, and disrespecting my parents.

I got saved at Church Camp, when I realized that I should give my life to Christ and repent of my sins. I came into a relationship with Christ after Service on the last day of Camp when one of the leaders came to me asking to pray.

My life has changed after getting saved by treating others better, making time for Jesus and putting him before others and myself. I have more consistent when it comes to going to Church and following Him. I have been trying to sin less and praying to Him about my problems and putting my faith in Him.

A Bible verse that has really stuck to me is **Romans 8:18** “**For I consider that the sufferings of this present time are not worth comparing with the glory that will be revealed to us.**”
