

Mindy Berry - Testimony

I am so thankful that I was raised in a Christian home, my parents became Christians when I was very young and fully devoted their lives to Christ. I became a Christian in my Sunday School class at around 5 years old and I was baptized by immersion when I was nine years old. I also attended a Christian School growing up and felt God's calling on my life to go into ministry of some kind. (I wanted to smuggle bibles into Russia, like Brother Andrew). I attended Moody Bible Institute and Majored in Music and have sung in choirs and praise teams for the last many years. We had 4 children and faced a lot of challenges (as having children will do) so no life has not been a bed of Christian "roses" but, I am so thankful to God for all he has done for me and that He loves me so much that he gave his Son to die for my sins. I am so unworthy, save that the Blood of Jesus covers me.

My husband Mark and I started attending Lighthouse church around 3 years ago.

We chose Lighthouse because this body of believers and the leadership follow the word of God and are unafraid to speak the truth of His word. We feel so at home here and are so grateful to have found such a sweet fellowship.
