

I was blessed to have grown up in a Christian home and attend a Christian school. I remember praying the sinner's prayer in Sunday school and was baptized in grade school. However, I did not have a full understanding of what salvation was and would often question if I was saved.

When I was 14 I made a decision at church camp I went forward and prayed for God to forgive me of my sins and to live in my heart. I also prayed for assurance of salvation.

After completing Foundations Class I understood that Baptism is a public display of my faith. I want to be obedient to Christ after my salvation.

Thankfully God does not put a time frame on being obedient with baptism.

My favorite verse is Exodus 15:2 ...

The Lord is my strength and song and he is become salvation: he is my God, and I will prepare him an habitation: my father's God, and I will exalt him.
