

## **Ruby Doherty – Testimony**

I was raised in a Christian home and made professions of faith at six and thirteen years old. They were just that professions, no possession. It was not until I was 17 years old and at Bible College in Clarksville, TN that I really heard the gospel and fell under a heavy burden that I had never trusted in Christ. I called my parents to tell them I wanted to leave college because I wasn't saved. They called the president and his wife, brother Elton Wilson and Mrs. Wilson and told them. The next day they asked to see me in their office and I went and they showed me in the Bible that God loved me so much he sent his son, Jesus to die on the cross for my sin and if I would confess my sin to him and believe Jesus died and rose alive from the grave for me I would be saved! And I asked Jesus into my heart that beautiful fall day on September 28th, 1971. I left singing "Burdens lifted at Calvary." The next Sunday I was baptized by brother Wilson at Bible Baptist Church in Clarksville, TN. I've been coming to lighthouse off and on for two years period after going to every Baptist Church in Xenia, my heart was always leading me back to Lighthouse. Pastor Josh preaches the word of God, and I learn with each message. I've prayed about what church to finally settle in and God has led me here.
