

### **Stephen Fair - Testimony**

I was born into a Christian family and although I was taught the Bible at a young age, my heart was still geared towards sin. Even if I did everything I thought was good, I was not right in my relationship with the Lord. I needed the Savior to wash away my sins.

When I was 7 years old my dad led me through the gospel and on that night, December 7<sup>th</sup>, 2013, I accepted Jesus into my heart as my Lord and Savior.

Since that day, Jesus has been working in my life, sanctifying me for the day when I will join Him in eternity. He has changed my desires from being geared toward sin, to being geared toward Him. My life has been dedicated to glorify His name.

A passage that means a lot to me is Hebrews 13:6 “we may boldly say “the Lord is my helper, I will not be afraid. What can man do to me?”
