

Just a Note...

Each new year brings hope and a fresh start. As 2025 begins, it's the perfect time to make faith a bigger part of your everyday life. Deut 6:1-9 reminds us to center our lives on Jesus by spending time in prayer, reading the Bible, and worshiping together. Small habits—like starting your day with a quick verse, praying before a meal, or sharing a worship song—might seem simple, but over time, they can transform your heart and your home. They set the tone for your day, strengthen your relationship with God, and inspire others in your family to grow closer to Him too. Imagine how your home could change if everyone committed to putting Christ first this year—starting with you! Let's make 2025 a year where faith grows strong.

## DID YOU KNOW...

### 'QUITTER'S DAY'

'Quitter's Day' falls on the second Friday in January because that's when most people give up on their New Year's resolutions. But you don't have to be part of that statistic! Stick to the godly goals you've set for this year—whether it's reading your Bible, praying daily, or showing kindness to others. Philippians 4:13 reminds us, *"I am able to do all things through Him who strengthens me."* Keep going, trusting that God will give you the strength to stay on track!

"The celebration of the New Year is a reminder that God's mercies are new every morning, and that He is with us in every season of life."  
— Dietrich Bonhoeffer
