

30 Days Adore & Give Thanks

To adore means to bow down, to kiss toward, to worship, and to be in awe of the Lord. Take time to read (or write) the daily verse/s, giving the Lord your full attention and gratitude in a way that reflects true adoration. Then, each day, list three things you are thankful for. Share your blessings—whether with your family, a friend, or even online—to spread gratitude and encouragement.
