Own the Legacy 3

Get To Know You Question:

Who is the most generous person you've ever known personally? What made their generosity stand out to you?

Let's Dig Deeper

Someone read **2 Corinthians 8:1-11**. Spend some time and share some key words that spoke out to you while reading. What is it about those words that spoke to you?

FAITH OVER AFFORDABILITY

1. In 2 Corinthians 8:3, Paul says the Macedonians gave "beyond their means." What does that reveal about their faith?
2. Pastor Scott said affordability is like a "rookie on the team." How does that picture help us understand the role of money in our decisions?
3. Why do we often let affordability, rather than faith, drive our generosity?
4. Someone read Malachi 3:10. What do we learn about God's promise when we trust Him with our resources?
5. How does Matthew 6:21 ("where your treasure is, there your heart will be also") connect generosity to discipleship?
6. What fears or excuses most often hold us back from giving?
7. How might choosing faith over affordability change not just your finances but your daily walk with God?

GENEROSITY THAT FLOWS

8. 2 Corinthians 8:5 says the Macedonians "gave themselves first to the Lord." Why is surrender the starting point for generosity?
9. Pastor Scott said generosity is "never just about money—it's about our view of God." How does generosity help us see God rightly?

10. Someone read Romans 12:1. How does living as a “living sacrifice” make generosity a lifestyle instead of a duty?
11. Can you share a time when generosity felt natural and joyful instead of forced? What made it different?
12. How does John 3:16 remind us that God’s generosity is the model for ours?
13. Pastor Scott asked, “What if our greatest testimony to the world is what we do with our money?” How would you answer that question?
14. How do you hope future generations describe Living Stones Church when it comes to generosity?
15. Someone read Romans 8:32. How does knowing that God “did not spare His own Son” free us to live with open hands?

Close in Prayer.
