DR. DAVID L. EADIE, SR.

Dr. David L. Eadie, Sr., the only son and middle child of Deacon Norbert Eadie and Sister Patricia Eadie, embarked on his spiritual journey at an early age, filled with the Holy Ghost during his teenage years. This early calling led him to serve faithfully in various capacities, notably in the Altar to Evangelism Ministry of his home assembly.

Dr. Eadie is not only a dynamic evangelist but also a dedicated educator, emphasizing the importance of teaching within his ministry. His academic credentials include a Bachelor of Liberal Studies from the University of Maine at Presque Isle, a Master of Arts in Apologetics and Evangelism from Dallas Theological Seminary, and a Doctor of Ministry with a focus on Theology and Apologetics from Liberty University. He believes that understanding and fulfilling God's will for this generation requires a balance of inspiration and information.

In July 2010, Dr. Eadie united in holy matrimony with Sis. India Harris, a talented psalmist and devoted woman of God. Together, they have welcomed two sons, David Jr. and Dawson Luke, and have forged a powerful partnership committed to their God-given purpose of expanding the kingdom of God.

In February 2017, Dr. Eadie answered a higher calling as Pastor of the newly reopened Greater Bethlehem Temple Pentecostal Church #2 in Lynn, MA. Through his inspiring leadership, the ministry flourished, spreading the life-changing message of grace through faith in Jesus Christ to a growing community. When the world faced the unprecedented trials of the COVID-19 pandemic in 2020, Dr. Eadie met the moment with resilience and vision. Guided by a spirit of faith and determination, he led the church through over two years of challenge and transformation.

On March 27, 2022, he boldly guided the congregation into a new season by launching Victory Point in Springfield, MA. Recognizing the unique needs of the community, he envisioned a ministry that would reach people both near and far, establishing a presence through in-person gatherings as well as a robust online platform. United by a heartfelt mission, Victory Point shines as a beacon of hope, providing spiritual guidance, practical support, and opportunities for genuine connection. His unwavering dedication remains to "Teach in Truth and Live in Love," inspiring everyone involved to embrace faith, compassion, and service within the church and throughout the community.
