Be Curious!

8-31-2025

Warm Up: When is one occasion you remember being curious?

1. Read Matthew 10:2-4, John 11:16 & John 14:5. What is your take about Thomas so far?
2. Read 20:24-29. He becomes known to us as "Doubting Thomas". He wasn't absent of faith but obviously his faith was struggling. What was Thomas actually asking for?
3. When you don't understand something or it doesn't make sense, what do you do?
4. How can questions, struggle and doubt become building blocks for a stronger faith? Share one occasion that this has been true for you?
5. Brainstorm internal Biblical evidence for Jesus' authority, power and trustworthiness?
6. John 20:30-31. Jesus wants your faith to become the foundation for your life. Being curious and searching for evidence can provide confirmation. Has there been external (outside the Bible) evidence that has been encouraging to you?
7. Your curiosity can provide the insight that another doubter may need. Have you been a light to someone?

Be Curious!

You're encouraged to write what God brings to you during today's message.

Word for The Week (NLT)

Then Jesus told him, "Because you have seen me, you have believed; blessed are those who have not seen and yet have believed." **John 20:29**

But these are written that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name. **John 20:31**

Faith shows the reality of what we hope for; it is the evidence of things we cannot see. **Hebrews 11:1**

For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse for not knowing God. **Romans 1:20**

The heavens proclaim the glory of God.
The skies display his craftsmanship.
Psalms 19:1
