

SMALL GROUP GUIDE

Get Connected at Midway United Methodist Church

2026

Why Get Connected?

Midway United Methodist Church is a place where real people can experience Jesus through others, and be unafraid to ask and explore the hard questions. We believe in authentic relationships - with each other and with Christ - where believers can do life together, learn and grow on their spiritual journeys, discover their God-given gifts, and use those gifts to help others.

Midway offers a variety of small groups. These groups provide an opportunity to walk with others who are also on a faith journey. The groups help strengthen and deepen faith as well as offer support for the ups and downs of life.
