

Yos Family to Guatemala

Prayer Partners, Family and Friends

We thank God for your care, faithfulness and support in the ministry. We also want to express our sincere gratitude for your financial support and prayers for our family. We would like to share with you some news about our family and ministry in Guatemala.

Church in Sumpango

On the first of October we celebrated Children's Day in Sumpango. We had more kids than we had even planned for which was a good problem to have. We also had a good group of teachers who led the games, songs, craft and lesson time. The church members donated bags of candy so that each child went home with their own goodie bag. We hope that this activity will continue opening doors for us to reach children for Christ.

In the month of October, we also take time to celebrate our pastors. Pastor appreciation month hasn't always been celebrated in either of the churches, but we want to implement a spirit of appreciation towards our pastors and all the work they do. We pray that Holy Spirit may give them wisdom and shepherd them as they lead the church.

We had our third annual "Servants Dinner" at the end of October. This is our way of thanking the leaders of the church that are always there serving faithfully. We had a special dinner and gave them a small gift to show our appreciation for their love and work in the church. We pray that the Lord will continue to give them servant's hearts and continue working in each of their lives.

In December the youth group had an outing to an amusement park in Guatemala City. It was an enjoyable time for the teens to spend time together forming and strengthening friendships within the group.

While we were away from the church in Sumpango we had a great family from Mexico that stepped in for us. The Perez family, Pepe,

Zaida and their daughter Aaleya, did a great job preaching, teaching and allowing the Spirit to work while here in Guatemala.

We ended 2023 with special music at church, taking communion and then sharing together afterwards over a cup of hot chocolate and sweet bread. We are hopeful and preparing for 2024 that we will see spiritual growth, more leadership developing within the church and hearts prepared to share the gospel.

Our family

In November we were able to visit Kaitlynn's family in Florida. We reconnected with old friends and made new friends as well. Although we weren't able to visit churches on this trip we are planning our furlough for 2024. We ask for your prayers for wisdom and guidance and that we will be able to visit old and new churches alike.

Shortly after our return to Guatemala Aidalynne was hospitalized for three days with pneumonia. We thank the Lord for her recovery and for the many prayers from near and far. We are so very grateful!

Adriel has been invited to teach as an adjunct professor at a seminary near our house. The Guatemalan Biblical Seminary (SBG) is where Adriel initially started taking Bible classes and now he will be teaching Church History there from January till April. We are excited for this opportunity to serve the church through the further preparation of men and women in their biblical studies.

We are always thankful to the Lord for His support for our family and ministry in Guatemala. We know the Lord will continue to be faithful in 2024. We pray that He will continue to provide for and bless each of you in a great way.

Prayer Requests:

- For our missionary team: Yos family and Karen Kolb
- For pastoral help in Ciudad Quetzal
- For wisdom and direction for our ministry plan for 2024
- For Adriel's class at the Seminary (SBG)

Adriel, Kaitlynnne and Aidalynnne
