THE YOS FAMILY TO GUATEMALA

Prayer Letter

THANK YOU FOR YOUR SUPPORT

GOD HAS BEEN FAITHFUL

We thank God for His care and faithfulness in the ministry. We also want to express our sincere gratitude for your financial support and prayers. Below, we would like to share with you some news about our family and the ministry in Guatemala.

FATHER'S DAY

We celebrated Father's Day in the month of June. We held a non-traditional service for the fathers with activities that encouraged fathers to renew their spirits and strengthen their faith. To end the night we enjoyed delicious tamales, a traditional Guatemalan dish.

FIRST FRUITS

In Sumpango, the Day of First Fruits was celebrated, an activity in which members of the congregation present a special offering or items for the benefit of the church. We thank God for the generosity and commitment shown by each member of the Santuario Familiar church.

MID-WAY BAPTIST CHURCH

In June and July we had the privilege of hosting several groups here in country.

in June we welcomed Mid-Way Baptist Church. Together with this group and the missionary team, we enjoyed a very special time of fellowship and service.

The group was able to help us do a LOT of maintenance work and projects in Sumpango. They helped seal the interior walls of our downstairs classrooms, they did major plumbing repairs and updates in the bathrooms, they put a fresh coat of paint on the front of the church AND they changed the roof to our front entryway. They had such a spirit of service.

FUN DAY

While Mid-Way was here they helped host a kids Fun Day event at both churches. We invited the kids from the church, feeding center and community to be a part of this fun activity. We rented a soccer field for fun outdoor games. There was a Bible lesson, crafts, games and lunch. It was so refreshing to see new faces at both churches and enjoy an outdoors day with the kids.

GRACE BAPTIST CHURCH

In July we received a visit from Grace Baptist Church. This group also came with a desire to serve. They had a work day in Ciudad Quetzal doing electrical work, painting and preparing the teen room for its dedication service.

On Saturday they helped host a youth rally in Sumpango. There were a LOT of new faces that came which was very encouraging to everyone.

We are deeply grateful to God for both churches that came and blessed our missionary team and churches and also brought a taste of the US with them. It was a very busy yet rewarding few weeks.

MISSIONARY TEAM

We are so thankful for our team and for the opportunity the Guyer family has had to deepen their understanding of Guatemalan culture, language and church life in Ciudad Quetzal and Sumpango. Although the team has had intense days working in the Lord's ministry, we praise the Lord because in Him we find constant renewal and joy that never ends. We are deeply grateful to God for this team, for the love we share with one another and for the privilege He gives us to serve Him in His work. Please continue to pray for health, guidance and wisdom as we head into the final portion of the year.

OUR FAMILY

We thank God for our family, for His constant support in every aspect of the ministry and for His generous provision. His faithfulness motivates us to continue striving in service to the Lord.

After much ado, Eden has been registered as a U.S. citizen and will soon receive her passport. We are praying for its arrival in the next week or so.

Adriel has completed his Christian Ethics class he was teaching at the Guatemalan Biblical Seminary (SBG), instructing a group of 18 students. This will be his final class for the year due to our travels to the U.S.

We will be in the U.S. September and October to see family, update churches and visit some new churches. We are praying for the necessary provision for this trip and for churches that may open their doors to hear about the ministry here in Guatemala and consider supporting us financially when we return to the field.

THANK YOU
for your support of our family
and ministry in Guatemala!
