

CIY MOVE

This is HSM's Summer conference. We will spend 6 days together in Holland, MI. The week is filled with worship, teaching, small groups, devotional times, hanging out, enjoying free time, and so much fun. This will be our second year attending CIY, and we are so excited to be back. Below, you'll find some important information regarding this year's trip. Please note, we do have a limited amount of space (98 students) for this trip.

Dates: June 24-29

Cost: \$475*

Who: CIY is open to current 8th-11th Graders.

Where: Holland, MI. We have two charter buses reserved to take us from Knoxville to Holland.

Lodging: CIY will again be taking place at Hope College. We will be staying in Hope's dorms.

***Scholarships** are available as part of the registration process. The HSM Team recognizes that a week like this comes with a substantial price tag. We have done everything we can to subsidize the cost of the trip for families. With that said, we would love for every student to have the opportunity to join us for CIY. Please do not hesitate to reach out for information about applying for a scholarship if it would help your student join us this Summer.
