

HSM MEXICO ENCOUNTER

Information for the May 2023 HSM Mexico encounter.

What is your next step of faith?

What is the difference between a trip and an encounter?

We refer to select missional experiences as "Encounters." An encounter is defined as "an unexpected meeting." As we seek to hear the stories of new people in new places, we encounter God in a whole new way. God is bigger than you imagine. Many who have participated in an Encounter will tell you it's a MUST for your spiritual, emotional, and missional growth.

Whether you're participating in a Trip or Encounter, everyone will have the same discipleship training. Every Trip & Encounter will have pre-trip trainings and team members are expected to attend ALL trainings. Each training will consist of team building, specific trip training, logistics, and prayer. There will be homework for each meeting. After the pre-trip trainings, teams are ready to experience a new culture, serve alongside our missionaries and travel together.

We will eat a lot of tacos! Please note: chicken is not available -- beef and pork only. Students with concerns are able to purchase snacks at the Walmart stop in CA.

We stay in a gated hotel. A security guard is onsite at all times. We travel in 15 passenger vans.

What do we do?

Please see sample itinerary.

Is it safe?

Yes and no. While in country, we take care to follow our partners' guidance. We do not go anywhere alone and always have a translator present. For additional concerns, please talk to Dave, Lara, or Makayla.

What is the phone/dress code policy?

Phones are allowed on travel days. Students are asked to turn off phones for the remainder of the week. Parents may call adult leaders if they need to reach their student.

Students will receive a dress policy at the team meetings. Students are expected to respect it.
