

## Listening Guide

### *The Problem of Praise & Worship* *Romans 1:18-31*

*We have already examined the Purpose and Posture of worship. Today as we look at the Problem of worship, we must do so through the lens of scripture with both the purpose and posture in mind. In our current culture Praise and Worship has greatly been maligned and manipulated to not resemble anything of Biblical proportions. We must always strive to be Biblical in all that we do, starting with our worship.*
