

Prayer Requests

Prayer Requests:

Prayer requests For my father Robert Peters who's heavenly birthday was last week, he would have been 92; For those in prison, they are God's children just like us; For Mick & Jill who are dealing with new and ongoing health issues with kidney failure, prayers for comfort and healing; For Joyce to have a smooth transition from Delaware to Pa to an inpatient care facility; Remember those who have died to make us free & those who have fought to keep us free; For the search in Texas brings some miracles, for those lost please be with their families & friends as through their grieving God has granted a BAND of beautiful little angels.

Joys:

**Please send updates for those on our prayer list to the church office so that we can keep the congregation current, and direct our prayers accordingly.*
