

JANUARY & FEBRUARY 2026

TRINITY STUDENTS

Registrations:

REFUGE:

February 6th & 7th

Refuge is our yearly retreat where we unplug and focus on the Word of God for the entire weekend. This event is more low-key than Source with fewer games and more teaching/small group times. Join us as we focus on the Colossians and learn practically how we are to love Him and obey His commands.

Our student camp will once again be at Blue Horizon Retreat Center in Laguna Beach, FL. During this week, our students will be challenged with our study through the book of Galatians. Join us for summer camp and learn what it looks like to live His glory.
