

TOV Church Inc.
Policy for the Use of Photograph, Video, and Audio

Policy

When you enter TOV Church (“Church”), it’s facilities, or locations of sponsored activities, you are entering areas where photography, video, and audio recording may occur (see below for notable exceptions). Your presence signifies consent of the following waiver.

Waiver

I, acting on behalf of myself or as the legal adult and/or parent/guardian, hereby grant my consent and full release to the Church and its successors, to use any video, photographs, and/or audio media produced during my and/or my child/ward’s participation in approved ministry activities to promote and publicize the vision, mission, and values of the Church; and furthermore, I hereby consent that such videos, photography, or audio together with any plates, tapes, negatives, or other storage media from which they are made, are and shall remain the property of the Church, and that the Church retains the exclusive right to duplicate and reproduce such videos, photographs, or audio recordings from said plates, tapes, negatives, or other storage media free and clear of any claim whatsoever on my part, or that of my child/ward.

Waiver Exceptions

Children/Foster Children. The Church works to be in full compliance with federal, state, and local regulations regarding the use of video, photography, or audio media with protected minors. It is, however, the responsibility of the legal adult and/or parent/guardian to notify the Church of any restrictions to the use of said media with their child, foster child, or ward.

Reasonable Expectation of Privacy. The Church will refrain from photographing, video recording, and audio recording individuals in areas where they reasonably expect privacy. These areas include but are not limited to restrooms and dressing rooms.
