Good Old Days • Pastor Brian Zahnd • August 3, 2025

1. When you look back at your life, which era would you consider the “good old days”?
2. What is your favorite movie of all time?

Read Acts 14:16-17

3. What are the witnesses God has given to people these days?
4. Pastor Brian said, “Life is not a game, life is a gift; the purpose of life is not to win, but to learn to love Well.” What are the problems with seeing life as a competitive game?
5. What would it look like to live today to its fullest?
6. What are the simple joys you find these days?
7. What are the ingredients for happiness for you?
8. According to Alan Krieder, “*Patience was not a virtue dear to most Greco-Roman people. But Christian writers called patience the highest virtue, and the virtue that was particularly Christian. The Christians believed that God is patient and that Jesus visibly embodied patience. And they concluded that they, trusting in God, should be patient—not controlling events, not anxious or in a hurry, and never using force to achieve their ends.*”

What can you do to walk in patience today?
