

Unleashed Outreach

First Church of Christ
772 N. 2nd Street
Cherokee, Iowa 51012

The Mission Team at First Church of Christ with permission from the Board of Elders and Deacons at the March 10, 2024, board meeting has decided to replace the rotating mission slot, normally dedicated to one new mission each year, with a new initiative which will be called Unleashed Outreach.

Unleashed Outreach is answering the call for members of First Church of Christ, as outlined in the book of Acts, to reach out to people in our communities with their own outreach projects in which they will actively participate.

When a member of the congregation has a project or mission that will have a positive impact on those in our communities while still demonstrating the compassion and love Christ; The Mission Team will be able to assist with their project with a financial donation of \$200.00 along with promotions, collection of other donations, and prayer. There is room in the annual budget for 12 separate ministries or projects each year. Each project or mission would be eligible once every twelve months with a completed registration form.

The Guidelines for Unleashed Outreach are as follows:

1. The project or mission must be an ongoing ministry outside First Church of Christ walls, within our area communities or within your sphere of reach.
2. You must be directly and actively and physically involved in your ministry project.
3. Your ministry or project does not have to be faith based but it must have a direct positive impact on the individuals or community served by your ministry or project.
4. You must complete the Unleashed Outreach registration form so that the members of the Mission Team and First Church of Christ have a better understanding of your project or mission's purpose and goals. This will help us better support you and what God has put on your heart.
5. Be BOLD in FAITH and unleash your outreach.

Unleashed Outreach Registration Form

Please print out your answers to the following questions on separate a sheet of paper.

1. What is your name?
2. What is the name of your ministry or project?
3. What is the purpose of your ministry or project?
4. Who will directly be impacted by your ministry or project?
5. What type of impact are you hoping your ministry or project will have on those served?
6. Where would your ministry or project take place? In what community or communities will you serve?
7. When was your ministry or project established OR when will your ministry or project take place?
8. How will you be directly involved in your ministry or project?
9. What other resources, people, or actions will you take to help and lead your ministry or project?
10. Describe why you chose your ministry or project?

If you have received support from Unleashed Outreach previously, please also answer the following:

- How many individuals were impacted by your ministry or project over the last year?
- How were you actively involved in your ministry or project?
- Is there anything you would like to do differently to improve your ministry or project?
- How well do you feel your ministry or project went overall?

NOTE: Please sign and date your registration form
