- We celebrate the baptism of Lanorah Lee Gort, daughter of Spencer & Kendra!
- We pray for the Rock Valley Community School District, families, friends, and community as a student died in a car accident, and another student is in the hospital in serious condition. Please pray for healing and peace for the families and community.
- Continue to pray for the families, friends, schools, and communities that were impacted by the tragic house fire in Granville.
- Craig Aukes – Recovering from knee replacement surgery.
- Daniel Peat – Praise God that both of Daniel’s eardrums have been restored and his hearing has improved by 10-20 percent! His next ear surgery will be in November. Thank you for your prayers & support! - Dan, Wanda, & Alex Peat

Building Project

- We are in the fundraising phase of our Building Addition project and have a goal to raise \$6.5 million in cash & pledges before we begin construction. To donate, you can write checks out to New Life and put Building Addition in the memo, or you can donate online through Church Center by going to the ‘General’ dropdown menu and selecting ‘Building Addition Fund.’ If you would like to fill out a pledge form or would like more information on the Building Addition and how to donate, please scan the QR code or visit nlrchurch.org and scroll down to “The Next Chapter.”

- If you’re in the small kids’ stage of life, we’d love for you to join our new Couples Group! We will be meeting on the 1st and 3rd Tuesday of each month from 6:00–7:00 PM in the Fireside room. A babysitter is available, so bring the little ones and enjoy an hour of encouragement, laughter, and growing together in Christ. Our first meeting/information night is Tuesday, September 16—mark your calendar!
- Celebration Sunday - We will have a special service to celebrate God’s faithfulness on Sunday, September 28, and will have a potluck after Sunday School! New Life will provide pulled pork sandwiches, chips, and beverages. Last names A-M: please bring a dessert; Last names N-Z: please bring a side.
- Our Security Committee is making small safety improvements. In the coming weeks, some doors will be locked during the service, and stickers have been placed on those doors to let you know. If you arrive late, please use the main lobby entrance, which will remain unlocked. Thanks for your help as we roll out these changes!
- Heart Health & Dutch Heritage - Did you know that a genetic heart condition is more common among people of Dutch descent? It’s called the PLN gene mutation, and it can be passed down from generation to generation. Carriers may face a higher risk of heart failure and shorter lifespan. Dordt University is launching a study to raise awareness and provide support for families who may be affected. If you are interested in learning more, please contact Lance Vermeer at Incvrmr22@dordt.edu
