

Bible Classes for Kids

Our Bible Classes nurture faith and create meaningful connections within the church family. From nursery through 5th grade, we use engaging, hands-on activities, music, and imaginative learning to make every class safe, fun, and impactful.

- **Nursery:** Through simple repetitive songs and motions, little ones learn what church is, who Jesus is, and how to build healthy relationships with other adults in our church.
- **Preschool:** Children explore God's creation and discover how God and Jesus are personal to them.
- **Elementary:** Kids dive deeper into Bible stories, learning how God's truth shapes who they are and their purpose in the world.

Join us as we help children grow in faith, understanding, and community!
