

Briefs from N.G.C.S

SEPTEMBER | 2025

WELCOME ALL

40 days Spiritual Formation journey Certificate of Participation awards

NGCS status

We are in the second semester and our final lap for the 2024/2025 cohort. Plans for a successful graduation are underway.

CLASS sessions

Great appreciation to our faculty for sacrificing their time and skills to impart and transform our students holistically.

Class Sessions

JOURNEY begins with one step...

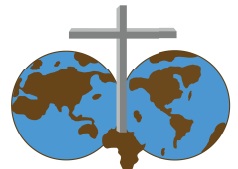

We wish to sincerely appreciate the students for walking through the **#40days Spiritual Formation**. Their dedication to discovering God's purpose demonstrates courage, faith, and a true hunger for spiritual growth and integrity in Christian service.

This spiritual journey is about allowing God's truth to shape your life, mission, and service. May the lessons learned continue to guide their steps, strengthen their faith, and equip them to make lasting impact in their community and beyond.

We celebrate their commitment as a testimony that living with purpose not only glorifies God but also advances the Great Commission to the nations.

The Principal summarizing the 40 days Spiritual Formation exercise

September 2025

PRESSED down, shaken together ...

We are glad NGCS extended a helping hand to her Extension schools that were in need of resources. It came in the form of Library materials and books.

NGCS donating books to Siriat Bible School

EDUCATIONAL trip

As part of our World Religion II studies, second year students had the privilege of visiting a local Mosque and a Hindu Temple. The purpose of this visit was to broaden student's understanding of the tenets of the other faiths. This aids their sharing of the gospel better.

The students with the Registrar and Lecturer Mr. Ngare
