Pray for the after-effects of our Christmas Carol Service, for more people to start coming to church and responding to Jesus!

Pray for the congregation while I'm away – for the interim-moderator (Alasdair, minister of our old mother church Smithton Church) and for the elders, and especially for the congregation to keep on keeping on.

Pray over my sabbatical – that we will make the most of seeing friends, making new ones, getting good rest and fun with the boys, and for my week fundraising, as well as my speaking/preaching engagements.

Pray over our vision to be able to buy a 'manse' – if we get another £50,000 to £100,000 we could probably buy a home this year, drastically helping our yearly budget! Pray for our vision to maybe buy an appropriate building in Ardersier for a future plant (like the closing old Church of Scotland, which would need lots of renovation but might be available for under £40,000). Pray for our vision to renovate our Tornagrain church further – some weeks we're around 100 people, (if everyone came each week it would be 120) – we really need a bigger hall soon alongside the sanctuary!
