Mark and Rahel Landrum - International Missions to Jewish People, Australia

Mark and Rahel regularly seeks out opportunities to meet Jewish people in their community and speak with them about Jesus Christ. This week they met "Sam". They are looking forward to connecting with Sam more. Please pray that their paths will cross again soon and for the opportunity to share the gospel with him, please join us in praying for his salvation.

The Landrum's have an unsaved Jewish couple they have recently been ministering too. This couple has had positive experiences with a local Christian community near them. Please pray that God really uses the love they experienced and the message they heard in this Christian community, to draw Lenny and Vered to a saving knowledge of the Messiah, Yeshua.

Recently, Rahel was able to engage in conversation with an elderly lady name Miriam just because the lady had a dog. That sweet dog opened the door for great encouragement in the gospel. Rahel told the lady she would pray for her dog, because the dog wasn't feeling well. The lady called the next day to report back that the dog was better. Please pray that this simple testimony of answered prayer in Jesus' name will ultimately lead to Miriam putting her trust in him and being saved.

Lastly, would you please pray for the Landrum's unbelieving friend Larry and his partner. They are very interested in the testimony and witness the Landrum's share about Jesus and his word. As we continue to witness, please pray that God will soon save Larry and his partner.
