John Michael Phillips - El Salvador

John Michael has two more months left to finish out this term before returning home to the US indefinitely. It has been an incredible experience with many highs and lows, and he asks for prayer that this will be a healthy transition and for wisdom in determining where the Lord is calling him to next.

He wants to thank you sincerely for your interest in and prayer for his time in El Salvador, as well as the team and the Salvadorans he has had the privilege of getting to know.

Pray the last two months remain as fruitful as the previous two years. May God be merciful and kind to him always.
