**Matthew 5:10-12**

Suffering for Jesus

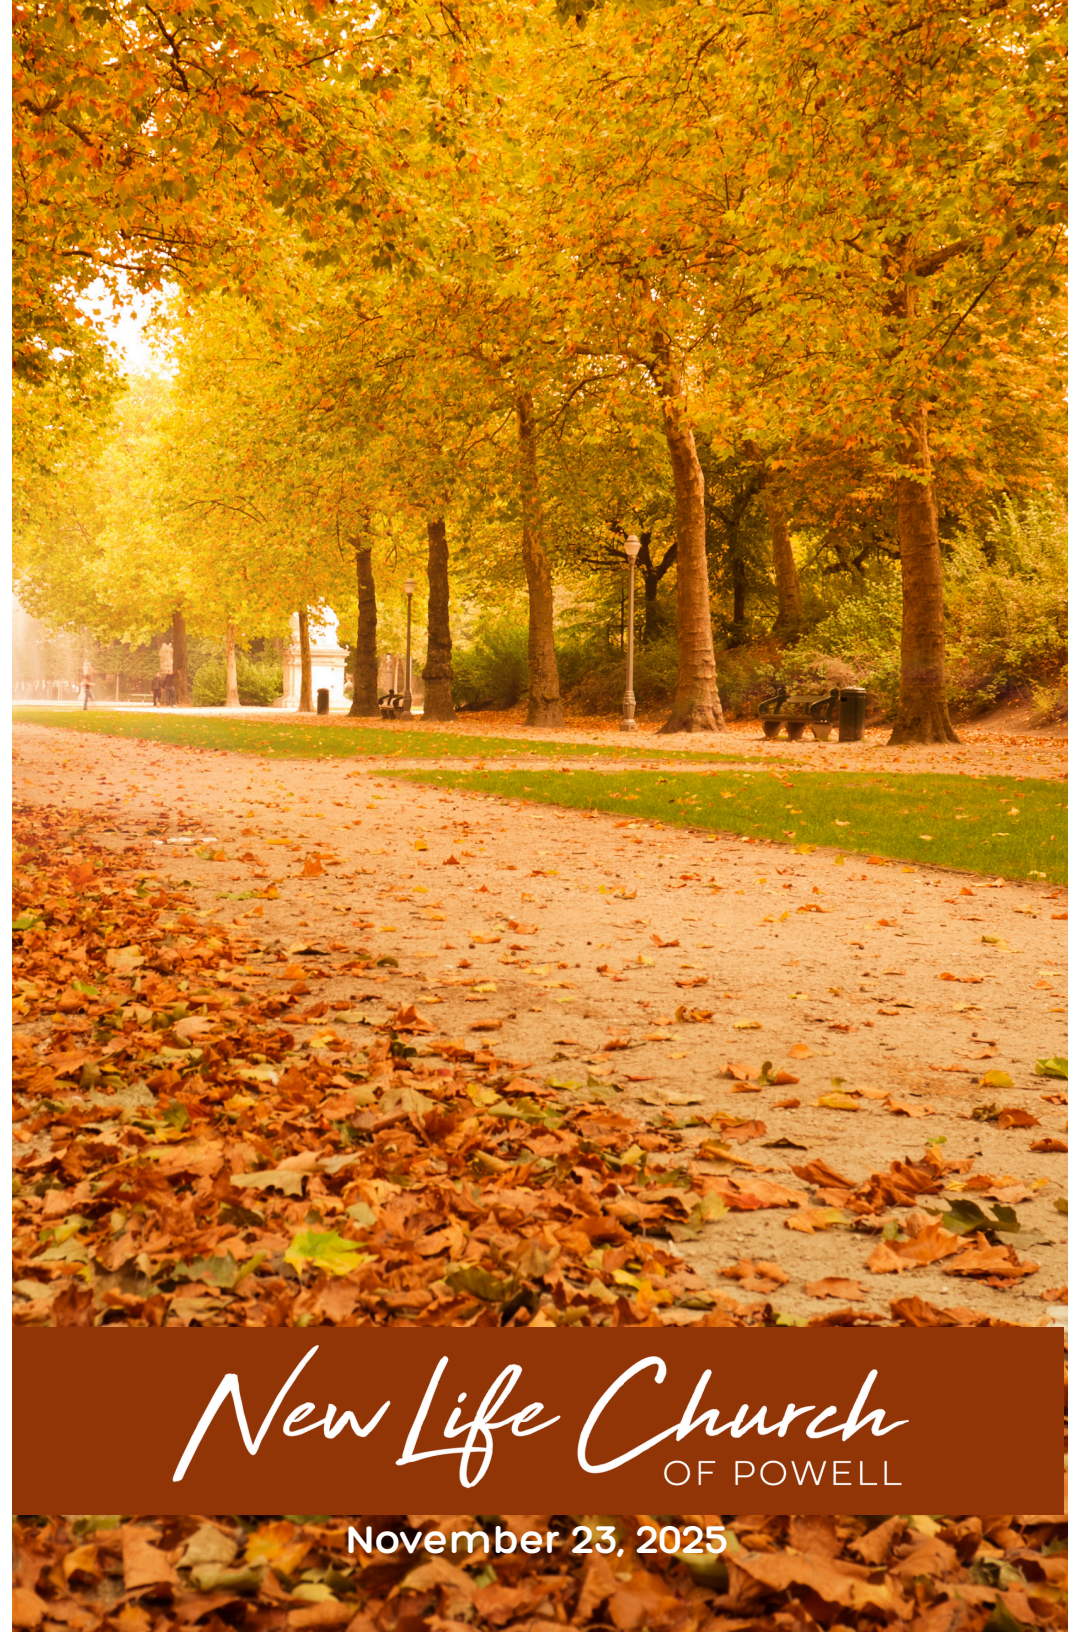

Suffering Because of Kingdom Living

Motivated by the Reward

1. Discuss the difference between trials in life and suffering because you are a Christian. Also, how does this differ from suffering because of our own life choices?
2. The world generally praises "moralism" and good deeds. Why does it seem to have a problem when we do good deeds and live out Biblical values in the name of Jesus Christ? Why is it a problem to the world when the Gospel is attached to those good deeds?
3. Is it wrong to be motivated by the rewards Christ names in the beatitudes? How is the eternal Kingdom, eternal life, and being with Christ forever a motivation to the believer when enduring suffering on His "account"?
