Deep Roots - Spiritual Formation with the Giants of Church History

Led by Justin Webb. Are you new to the faith or recently recommitted your life to the Lord? Have you been a believer for a long time but desire spiritual renewal? Come discover the richness of faith that can be cultivated through exploring selected writings of our Christian forefathers in prior centuries. Meet in Room 206.

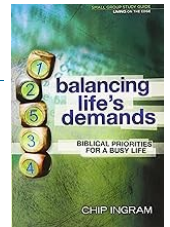

Little Letters with Loud Voices: James, Jude, 1,2,3 John

Led by Rev. Jim Brackett in the CLC. Bring your Bible, note pad & pen to explore more deeply two letters written by Jesus' brothers & three written by Jesus' beloved disciple. You find that the content & topics of these letters are remarkably relevant for today's culture.

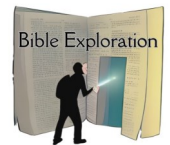

Biblical Priorities for a Busy Life

Led by Mark & Neal Binion. In "Balancing Life's Demands" you will learn how to put "first things first" and find peace in the midst of pressure and adversity. Meet us in room 214.

Preschool & Children's Ministry - Bible Exploration

This fall, our EBC Kids will be exploring and memorizing Matthew 4: 1-10 "The Beatitudes". Through our weekly lessons, children will learn the context of these verses & how these truths are still true & relevant to their lives today. Our children will memorize these key verses & will be encouraged to apply the Beatitudes in their everyday lives to help build a strong foundation for their spiritual & moral development.

Student Discipleship

Led by Derek Kiser. Christianity? Prayer? Culture? Temptation? Each week our students will discuss a different topic pertaining to living a life rooted in Christ. They'll take a look at what it means to walk with the Lord in this present culture. Our students will also enjoy a time of fellowship & games.
