## THE GOSPEL PROJECT

This past Sunday Pastor Kyle told us about the strategy for helping our Children become disciples of Jesus. The Children that were “promoted” from Preschool to the first grade we presented a brand-new NIV Adventure Bible, the #1 Bible for Children. I have looked through this Bible and I really like it a lot! We gave out 8 Sunday but have Children’s Bibles available for any child that wants one. Just see one of the staff and we will make sure you get one for your child.

Pastor Kyle also told us about The Gospel Project children’s Bible Study curriculum. Listen to this. This is a Christ-Centered, chronological Bible Studies for kids. It also is available for youth and adults. Every story points back to Jesus; encourages transformation that comes as a result of the Gospel; they will study the Bible from Genesis to Revelation; hear doctrinally sound lessons; with a continuing emphasis on living a missional life. The Gospel Project will go through the entire Bible in a three-year period. You really want to have your children and grandchildren in one of these classes. By the way these classes are taught by Mark Livengood (Elder), Ronnie Cooper (Elder) Nancy Livengood and Billy Hebert (Deacon). This is as solid of a Children’s Team as you can get! Then the Children always have the option of attending Children’s Worship each week.

When you add the Awana Ministry to this mix, you have a really solid Children’s ministry. Awana is a world-wide ministry that reaches over 9 million Children every week. There are over 96,000 churches that use Awana as part of their disciple making process. It is being taught in over 140 different countries.

The goal of our Children’s Ministry is that Kids will know they belong to Jesus, believe His word and become more like Him. Amen and amen!

Thanks to all who work as a part of our process of making disciples who make disciples that change our community and world.

See you Sunday, good Lord willing,

Pastor Tom
