Missionary Note: Kshitiz & Brenna Ghimire - Nepal

Greetings from 34,000 feet above the ground. I'm writing this on my flight home after a short but important visit to Nepal. As many of you know, my mom was recently diagnosed with Lupus Nephritis. The physical challenges and the anxiety that comes with such a diagnosis have been difficult for her, so I flew to Nepal to be with her, encourage her, and minister to her. Her road to recovery is long, but by God's grace, she is progressing in the right direction. Thank you for your prayers and faithful support throughout our deputation ministry. By God's grace, we are now at about **80% of both our monthly support and our one-time need**. This coming year is a significant one for our family—it will be the year we transition to Nepal permanently. Would you continue to pray that the Lord strengthens us, protects us, and most importantly, guides every step we take so that His gospel spreads like wildfire across Nepal?
