

Faith Baptist Newsletter – Jan 11, 2026

As we move into the second week of the new year, we want to encourage everyone to take an important next step—**get connected to a Faith Group**. Spiritual growth happens best in community, not in isolation. Faith Groups provide a place to build relationships, study God's Word, pray together, and encourage one another through every season of life. If

you're already part of a group, thank you for your faithfulness—your presence matters. If you haven't joined yet, it's not too late. This is a great time to jump in and grow alongside others as we begin the year focused on Christ and connected to one another.. *- Pastor Greg Burdine*

Missionary Note: Eric and Ashley Woodworth (Honduras)

Please be in prayer as the last Sunday of 2025 was also our last Sunday meeting in the shopping center location we've used for the last three years. Amazingly, a school has offered us the use of their spacious facilities for half what we pay now, praise God! As we close out another year of ministry and life here in Honduras, we are grateful. We are grateful to all of you who read these letters and take time to pray for us, we are grateful to all the families and churches that support our family and ministry, and most of all we are thankful to our Savior Jesus Christ who has given us this ministry of reconciliation and the privilege to serve in His name as missionaries in Honduras.
